

Volunteers Creed

I am a volunteer.

I am a member of a team.

I serve the animals of Martin County and live to educate the public.

I will always place my safety first.

I will never disrespect another person while representing MAR.

I will do no intentional harm to an animal.

I will always value character more highly than reputation and truth above popularity.

I am there as their voice, I will speak for them, and be their benefactor.

I will be modest and open-minded and thankful for every opportunity to increase my knowledge and
my usefulness.

When making decisions I will be merciful and humane.

I am disciplined, physically and mentally tough, trained and prepared for many situations. I always
maintain my professionalism.

I am a volunteer.
